Level

2021 VDC webinars and virtual workshops have been categorised as either Introductory, Intermediate or Advanced to describe the level of content being presented in the training. The categories are aligned to the levels in the VET Practitioner Capability Framework (BSA 2011). The level descriptions are provided below.

INTRO Introductory (New to the topic)

These sessions are aimed at practitioners that have a broad theoretical knowledge and practical experience of training and assessment; they operate independently and seek guidance when necessary.

INTER Intermediate (Build on your existing Knowledge)

These sessions are aimed at practitioners that have specialised theoretical knowledge and practical experience of training and assessment; they employ a wide range of teaching and assessment methods and provide guidance and support to practitioners.

A Advanced

These sessions are aimed at practitioners that have in-depth knowledge and established skills to shape a team's training and assessment practice; they inspire others, lead change processes and provide specialist advice and support.
